

## **Bribery Act Statement 2023**

*Here at AMA Storage & Distribution we are committed as a business to ensure it is managed in a fair, honest and open manner.*

*We have zero tolerance of any form of Bribery that is carried out by our employees and any other persons that are associated with us. We have a Bribery Act policy in place that all persons associated with us must adhere to. This policy prohibits anyone associated with us from offering, promising or giving a bribe or requesting, agreeing to receive or accepting a bribe and puts in place procedures to prevent such offences taking place. We are also committed to ensuring that our suppliers and contractors throughout our supply chain have or adopt a similar approach.*

*All our suppliers and contractors are required to endorse and adhere to our supplier code of conduct, which includes the above principles. All contracts to be entered into with suppliers and contractors will also contain provisions requiring both parties not to commit an offence under the Bribery Act.*
